¹ The profile requires a collaboration with the BDO accountant.

² No electronic archiv as accepted under Swiss OEIDI or GeBü-V.

³ At least 10 employees

⁴ The prices set out in the table are quoted for the AbaWeb accounting service stated including data storage provided by BDO. The exclusive use of data storage is free of charge.

⁵ In the finance package profile the capture of arrangements from Kredi/Fibu is possible, for further processing, calculation and evaluation of deductions etc. the profile investment accountancy 1 or 2 is necessary. This will be checked upon request.

⁶ With the use of a financial accounting subscription, AbaNinja synchronization is automatically included.

A fee of CHF 150.00 per user is charged for opening an account. The establishment fees are set out separately.

If the permissions within the financial packages/smartline are restricted to individual applications/profiles, then it will cause an additional once-off frate of CHF 100.00 per user.

The AbaWeb accountant services can always be terminated at the end of a quarter with a notice period of 3 months.

The number of bookings refers to a given financial year. All prices are quoted net of value added tax.

Individual update costs are set off separately.
